To Our Fellow Lear Stockholders:

This proxy statement and accompanying **WHITE** proxy card are being furnished to stockholders of Lear Corporation, a Delaware corporation ("Lear" or the "Company"), by Marcato Capital Management LLC ("Marcato"), Oskie Capital Management, LLC ("Oskie") and the other Marcato-Oskie Group Participants (as hereinafter defined) (for convenience throughout this proxy statement we sometimes refer to Marcato, Oskie and the other Marcato-Oskie Group Participants collectively as the "Marcato-Oskie Group," "we," "our" or "us") in connection with the solicitation of proxies from you, the holders (the "Stockholders") of common stock, par value \$0.01 per share, of the Company (the "Common Stock"), in connection with the 2013 Annual Meeting of Stockholders of the Company, including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of Stockholders held in lieu thereof (the "2013 Annual Meeting"). The 2013 Annual Meeting is scheduled to be held on [], [], 2013, at [] a.m. (Eastern Time) at Lear Corporation's Corporate Headquarters, 21557 Telegraph Road, Southfield, Michigan 48033. The Company has set the close of business on March 21, 2013 as the record date (the "Record Date") for determining the Stockholders entitled to vote at the 2013 Annual Meeting.

THIS SOLICITATION IS BEING MADE BY THE MARCATO-OSKIE GROUP AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY (THE "BOARD").

This proxy statement and the accompanying **WHITE** proxy card are first being sent or given on or about [], 2013 to all holders of shares of Common Stock as of the Record Date.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting To Be Held on [•], 2013: The proxy materials are available at [•]

We are soliciting your vote because we believe that the election of Richard T. McGuire III, David M. Markowitz and Enrico Digirolamo, our "Nominees," would contribute significantly to the Board and Lear's value creation for the Company's owners. Since emerging from bankruptcy over three years ago, the Company has improved its cost structure, strengthened its balance sheet, and diversified its customer base. However, we believe that despite these improvements, the Company is being undervalued by the marketplace. This is a reflection, among other things, of what we believe to be poor capital allocation decisions that are reducing the Company's returns on invested capital and obscuring the benefits of the Company's operational progress for Stockholders.

We believe the market is undervaluing the Company and that such market undervaluation makes apparent the need for directors with ownership interests aligned with Stockholders and who will bring a sharper focus on returns on invested capital and a sense of urgency and responsiveness to changing capital market conditions to drive value creation for all owners. To that end, the Marcato-Oskie Group has nominated three highly respected executives with relevant financial and industry experience who we believe would bring the important voice of Lear's owners to bear on the Board's decision-making process. They are committed to helping identify opportunities to deliver enhanced value. We would expect these opportunities to include, but not be limited to, exploring changes in the Company's capital allocation strategy or changes to the Company's capital structure, an examination of capital expenditure plans to ensure investments are achieving attractive return thresholds, and a review of acquisition and divestiture alternatives to ensure that capital is being invested in operating businesses that deliver the most attractive risk-adjusted returns on investment over the long term. While no assurances can be given that the election of our Nominees to the Board will enhance value, particularly in light of their minority representation on the Board, we urge the Stockholders to support us in this effort by voting "**FOR**" our Nominees and the Stockholder Proposal (as defined below).

We intend to vote all solicited proxies at the 2013 Annual Meeting in order to take the following actions:

1. vote "**FOR**" the election of Richard T. McGuire III, David M. Markowitz and Enrico Digirolamo to serve as directors on the Board until the 2014 Annual Meeting of Stockholders or until their respective successors are duly elected and qualified;
2. vote "**FOR**" the Company's proposal to ratify the appointment of the firm of Ernst & Young LLP as the Company's independent registered public accounting firm for 2013;
3. vote "**FOR**" the Company's proposal for an advisory vote to approve the Company's executive compensation, as described further in the Company's Preliminary Proxy Statement on Schedule 14A, filed with the SEC on March 7, 2013 (the "Company's Proxy Statement");
4. vote "**FOR**" the repealing of any provision of or amendment to the Amended and Restated Bylaws of the Company (the "Bylaws") adopted by the Board subsequent to November 9, 2009 without the approval of the Stockholders (the "Stockholder Proposal"); and
5. transact such other business as may properly come before the 2013 Annual Meeting.

Under the proxy rules, we may solicit proxies in support of our Nominees and also seek authority to vote for all of the Company's nominees other than those Company nominees we specify. This allows a Stockholder of the Company who desires to vote for up to a full complement of eight director nominees to use the **WHITE** proxy card to vote for our Nominees as well as the Company's nominees for whom we are seeking authority to vote other than those nominees as to which the Stockholder does not seek authority to vote and will not exercise authority to vote. We have determined to nominate a slate of three Nominees, Messrs. McGuire, Markowitz and Digirolamo, and are seeking authority to vote for up to all of the Company's nominees other than []. As a result, should a Stockholder so authorize us on the **WHITE** proxy card, we would cast votes for our three Nominees and up to five of the Company's nominees. None of the Company's nominees for whom we seek authority to vote have agreed to serve with any of our Nominees, if elected, and there is no assurance that any of the Company's nominees will serve as directors if any or all of our Nominees are elected to the Board.

THE MARCATO-OSKIE GROUP PARTICIPANTS URGE YOU TO VOTE THE **WHITE** PROXY CARD "**FOR**" RICHARD T. MCGUIRE III, DAVID M. MARKOWITZ AND ENRICO DIGIROLAMO AS DIRECTORS.

As reflected in more detail in *Annex A*, between January 30, 2013 and February 4, 2013, certain of the Marcato Stockholders entered into swaps with respect to the shares of Common Stock. Under the terms of the swaps, (a) the relevant Marcato Stockholder was obligated to pay to the counterparty any negative price performance of the specified notional number of shares of Common Stock subject to the swaps as of the expiration date of such swaps, plus interest rates set forth in the applicable contracts, and (b) the counterparty was obligated to pay the relevant Marcato Stockholder any positive price performance of the specified notional number of shares of Common Stock subject to the swaps as of the expiration date of the swaps. Any dividends received by the counterparty on such notional shares of Common Stock during the term of the swaps was to be paid to the relevant Marcato Stockholder. All balances were to be settled in cash. The Marcato Stockholders' counterparty for the swaps was Morgan Stanley Capital Services LLC. The swaps did not give the Marcato Stockholders direct or indirect voting, investment or dispositive control over any securities of the Company and did not require the counterparty thereto to acquire, hold, vote or dispose of any securities of the Company. Accordingly, the members of the Marcato-Oskie Group disclaimed any beneficial ownership of any shares of Common Stock that may have been referenced in the swap contracts or shares of Common Stock or other securities or financial instruments that may have been held from time to time by any counterparty to the contracts. The number of shares of Common Stock specified in such swaps was 89,046 with respect to Marcato I, 12,826 with respect to Marcato II, and 516,168 with respect to Marcato International. As reflected in *Annex A*, the swaps were sold between February 25, 2013 and February 28, 2013.

As reflected in more detail in *Annex A*, within the past year, certain of the Marcato Stockholders have been party to options to purchase shares of Common Stock pursuant to various American-style call options (which, as indicated on *Annex A*, were bought by the Marcato Stockholders, and which require the other counterparty thereto to sell and permit the relevant Marcato Stockholder to acquire

such shares of Common Stock if exercised) with strike prices ranging from \$0 to \$55 and exercisable through dates ranging from March 16, 2013 to February 5, 2015. As of the date hereof, the Marcato Stockholders are party to options to purchase [1,900,000] shares of Common Stock pursuant to various American-style call options (which, as indicated on *Annex A*, were bought by the Marcato Stockholders, and which require the other counterparty thereto to sell and permit the relevant Marcato Stockholder to acquire such shares of Common Stock if exercised) with strike prices of \$55 and exercisable through March 16, 2013. None of the options gives the Marcato Stockholders direct or indirect voting, investment or dispositive control over any securities of the Company or requires the counterparties thereto to acquire, hold, vote or dispose of any securities of the Company prior to exercise. The number of shares of Common Stock underlying such call options is [423,300] with respect to Marcato I, [54,900] with respect to Marcato II and [1,421,800] with respect to Marcato International.

As reflected in more detail in *Annex A*, within the past year, certain of the Marcato Stockholders have been party to options to sell shares of Common Stock pursuant to various put options (which, as indicated on *Annex A*, were sold by the Marcato Stockholders, and which permit the other counterparty thereto to sell and require the relevant Marcato Stockholder to acquire such shares of Common Stock if exercised) with strike prices ranging from \$25 to \$40 and exercisable through dates ranging from March 16, 2013 to February 5, 2015. As of the date hereof, the Marcato Stockholders are party to options to sell [1,900,000] shares of Common Stock pursuant to various put options (which, as indicated on *Annex A*, were sold by the Marcato Stockholders, and which permit the other counterparty thereto to sell and require the relevant Marcato Stockholder to acquire such shares of Common Stock if exercised) with strike prices of \$40 and exercisable through March 16, 2013. None of the options gives the counterparty direct or indirect voting, investment or dispositive control over any securities of the Company or requires the counterparties thereto to acquire, hold, vote or dispose of any securities of the Company prior to exercise. The number of shares of Common Stock underlying such put options is [423,300] with respect to Marcato I, [54,900] with respect to Marcato II and [1,421,800] with respect to Marcato International.

As reflected in more detail in *Annex A*, within the past year, certain of the Oskie Stockholders have been party to options to purchase shares of Common Stock pursuant to various American-style call options (which, as indicated on *Annex A*, were bought by the Oskie Stockholders, and which require the other counterparty thereto to sell and permit the relevant Oskie Stockholder to acquire such shares of Common Stock if exercised) with strike prices ranging from \$40 to \$50 and exercisable through dates ranging from May 19, 2012 to March 16, 2013. As of the date hereof, the Oskie Stockholders are party to options to purchase [80,000] shares of Common Stock pursuant to various listed American-style call options (which, as indicated on *Annex A*, were bought by the Oskie Stockholders, and which require the other counterparty thereto to sell and permit the relevant Oskie Stockholder to acquire such shares of Common Stock if exercised) with strike prices of \$50 and exercisable through March 16, 2013. None of the options gives the Oskie Stockholders direct or indirect voting, investment or dispositive control over any securities of the Company or requires the counterparties thereto to acquire, hold, vote or dispose of any securities of the Company prior to exercise. The number of shares of Common Stock underlying such call options is [37,900] with respect to Oskie Master Fund and [42,100] with respect to Oskie on behalf of its managed account.

We intend to vote all of the shares of Common Stock that we beneficially own at the 2013 Annual Meeting **"FOR"** the election of our Nominees and to grant authority to vote for the Company's nominees other than [], **"FOR"** the Company's proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2013, **"FOR"** the Company's proposal to approve, on an advisory basis, the Company's executive compensation, as described further in the Company's Proxy Statement and **"FOR"** our Stockholder Proposal.

QUESTIONS AND ANSWERS RELATING TO THIS PROXY SOLICITATION

The following are some of the questions you may have as a Stockholder, as well as the answers to those questions. The following is not a substitute for the information contained in this proxy statement, and the information contained below is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this proxy statement. We urge you to read this proxy statement carefully and in its entirety.

Who is making this solicitation?

The solicitation for election of the Nominees and the other proposals described in this proxy statement at the 2013 Annual Meeting is being made by Marcato, Oskie and certain other participants that we refer to as the Marcato-Oskie Group Participants. Marcato and Oskie are Delaware limited liability companies. The principal business of each of Marcato and Oskie is to purchase, sell, trade and invest in securities. For more information regarding Marcato, Oskie and the Marcato-Oskie Group Participants, please see *Annex A* attached to this proxy statement.

What are we asking you to vote for?

We are asking you to vote on the following actions on the **WHITE** proxy card at the 2013 Annual Meeting:

1. vote "**FOR**" the election of Richard T. McGuire III, David M. Markowitz and Enrico Digirolamo to serve as directors on the Board until the 2014 Annual Meeting of Stockholders or until their respective successors are duly elected and qualified;
2. vote "**FOR**" the Company's proposal to ratify the appointment of the firm of Ernst & Young LLP as the Company's independent registered public accounting firm for 2013;
3. vote "**FOR**" the Company's proposal for an advisory vote to approve the Company's executive compensation, as described further in the Company's Proxy Statement; and
4. vote "**FOR**" the repealing of any provision of or amendment to the Bylaws adopted by the Board subsequent to November 9, 2009 without the approval of the Stockholders.

Please see the sections entitled "Proposal 1: Election of the Nominees," "Proposal 2: Ratification of the Appointment of Independent Accountants," "Proposal 3: Advisory Vote on the Company's Executive Compensation" and "Proposal 4: Repealing of Certain Provisions of or Amendments to the Bylaws Adopted Since November 9, 2009" for a more complete description of each of these proposals.

Why are we soliciting your vote?

We believe the market is undervaluing the Company and that such market undervaluation makes apparent the need for directors with ownership interests aligned with Stockholders and who will bring a sharper focus on returns on invested capital and a sense of urgency and responsiveness to changing capital market conditions to drive value creation for all owners. To that end, the Marcato-Oskie Group has nominated three highly respected executives with relevant financial and industry experience who we believe would bring the important voice of Lear's owners to bear on the Board's decision-making process. They are committed to helping identify opportunities to deliver enhanced value. We would expect these opportunities to include, but not be limited to, exploring changes in the Company's capital allocation strategy or changes to the Company's capital structure, an examination of capital expenditure plans to ensure investments are achieving attractive return thresholds, and a review of acquisition and divestiture alternatives to ensure that capital is being invested in operating businesses that deliver the most attractive risk-adjusted returns on investment over the long term. While no assurances can be given that the election of our Nominees to the Board will enhance value, particularly in light of their

minority representation on the Board, we urge the Stockholders to support us in this effort by voting "**FOR**" our Nominees and the Stockholder Proposal.

Who are the Nominees?

We are proposing that Richard T. McGuire III, David M. Markowitz and Enrico Digirolamo be elected as directors of the Company to serve on the Board until the 2014 Annual Meeting of Stockholders or until their respective successors are duly elected and qualified.

The following table sets forth the name, age, present principal occupation, business address and business experience for the past five years and certain other information, with respect to the Nominees. This information has been furnished by the Nominees. In addition, this table sets forth a brief discussion of the specific experience, qualifications, attributes or skills that led to the conclusion that the Nominee should serve as a director for the Company as of the date hereof, in light of the Company's business and structure.

The Board currently consists of eight directors, all of whom are up for election at the 2013 Annual Meeting. According to the Company's Proxy Statement, the Board of the Company intends to nominate eight candidates for election as directors at the 2013 Annual Meeting. This proxy statement is soliciting proxies to elect Messrs. McGuire, Markowitz and Digirolamo, and to grant authority to vote for the Company's nominees other than []. Therefore, should a Stockholder so authorize us, we will cast votes for our three Nominees and up to five of the Company's nominees. None of the Company's nominees for whom we seek authority to vote have agreed to serve with any of our Nominees, if

elected, and there is no assurance that any of the Company's nominees will serve as directors if any or all of our Nominees are elected to the Board.

If elected, the Nominees will be a minority of the directors and will not alone be able to adopt resolutions or otherwise cause the Board to act. However, the Nominees expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with Board members, the Nominees believe they can effect positive change at the Company.

The corporate governance guidelines of the Company, which are available on the Company's website at <http://ir.lear.com>, set forth guidelines to assist the Board in making a determination whether a director has a material relationship with the Company for purposes of determining independence. Based on the information furnished by the Nominees, we believe that each of the Nominees is independent and no member of the Marcato-Oskie Group has any knowledge of any facts that would prevent the determination that each of the Nominees is independent.

You should refer to the Company's Proxy Statement for the names, background, qualifications and other information concerning the Company's nominees.

Who can vote at the 2013 Annual Meeting?

According to the Company's Proxy Statement, the only securities eligible to be voted at the 2013 Annual Meeting are shares of Common Stock. Only Stockholders of record at the close of business on the Record Date, March 21, 2013, are entitled to vote at the 2013 Annual Meeting. Each share of Common Stock represents one vote, and all shares of Common Stock vote together as a single class. There is no cumulative voting. According to the Company's Proxy Statement, the total number of votes that can be cast at the 2013 Annual Meeting by all Stockholders is [], consisting of one vote for each share of Common Stock that was outstanding on the Record Date.

How do proxies work?

We are asking you to appoint RICHARD T. MCGUIRE III and DAVID M. MARKOWITZ as your proxy holders to vote your shares of Common Stock at the 2013 Annual Meeting. You make this appointment by voting the enclosed **WHITE** proxy card or by using one of the voting methods described below. Giving us your proxy means you authorize the proxy holders to vote your shares of Common Stock at the 2013 Annual Meeting, according to the directions you provide. You may vote for all, some, or none of our Nominees. Whether or not you are able to attend the 2013 Annual Meeting, you are urged to complete the enclosed **WHITE** proxy card and return it in the enclosed self-addressed, prepaid envelope. All valid proxies received prior to the meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy, the shares of Common Stock will be voted in accordance with that specification. IF YOU RETURN A VALID PROXY AND NO SPECIFICATION IS MADE, THE SHARES OF COMMON STOCK WILL BE VOTED (I) "FOR" RICHARD T. MCGUIRE III FOR DIRECTOR; (II) "FOR" DAVID M. MARKOWITZ FOR DIRECTOR; (III) "FOR" ENRICO DIGIROLAMO FOR DIRECTOR; (IV) TO GRANT AUTHORITY TO VOTE FOR THE PERSONS WHO HAVE BEEN NOMINATED BY THE COMPANY TO SERVE AS DIRECTORS, OTHER THAN []; (V) "FOR" THE RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM; (VI) "FOR" THE COMPANY'S PROPOSAL FOR AN ADVISORY VOTE TO APPROVE THE COMPANY'S EXECUTIVE COMPENSATION; (VII) "FOR" THE REPEALING OF ANY PROVISION OF OR AMENDMENT TO THE BYLAWS ADOPTED BY THE BOARD SUBSEQUENT TO NOVEMBER 9, 2009 WITHOUT THE APPROVAL OF THE STOCKHOLDERS; AND (X) IN THE PROXY HOLDERS' DISCRETION AS TO OTHER MATTERS THAT THE MARCATO-OSKIE GROUP PARTICIPANTS DO NOT KNOW, A REASONABLE TIME BEFORE THE SOLICITATION, ARE TO BE PRESENTED AT THE 2013 ANNUAL MEETING.

We do not know of any other matters to be presented for approval by the Stockholders at the 2013 Annual Meeting. Unless you indicate otherwise on the **WHITE** proxy card, you also authorize your proxy holders to vote your shares of Common Stock in their discretion on any matters not known by us at the time this proxy statement was printed and that, under the Bylaws, may be properly presented for action by the Stockholders at the 2013 Annual Meeting.

What do I need for admission to the 2013 Annual Meeting?

According to the Company's Proxy Statement, attendance at the 2013 Annual Meeting or any adjournment or postponement thereof will be limited to record and beneficial Stockholders as of the record date (March 21, 2013), individuals holding a valid proxy from a record holder and other persons authorized by the Company. If you are a Stockholder of record, or a recordholder, your name will be verified against the list of Stockholders of record prior to your admittance to the 2013 Annual Meeting or any adjournment or postponement thereof. You should be prepared to present photo identification for admission. If you hold your shares of Common Stock in "street name," you will need to provide proof of beneficial ownership on the record date, such as a brokerage account statement showing that you owned shares of Common Stock as of the record date, a copy of a voting instruction form provided by your broker, bank or other nominee, or other similar evidence of ownership as of the record date, as well as your photo identification, for admission. If you do not provide photo identification or comply with the other procedures described above, you will not be admitted to the 2013 Annual Meeting or any adjournment or postponement thereof. For security reasons, you and your bags may be subject to search prior to your admittance to the 2013 Annual Meeting.

What is the quorum requirement for the 2013 Annual Meeting?

In order to carry on the business of the 2013 Annual Meeting, there must be a quorum. This means at least a majority of the outstanding shares of Common Stock eligible to vote must be represented at the meeting, either by proxy or in person. Treasury shares, which are shares owned by the Company itself, are not voted and do not count for this purpose. Abstentions and broker "non-votes" will be counted as present or represented at the 2013 Annual Meeting for purposes of determining the presence or absence of a quorum. A broker "non-vote" occurs when a broker or other nominee who holds shares of Common Stock for a beneficial owner withholds its vote on a particular proposal with respect to which it does not have discretionary voting power or instructions from the beneficial owner.

What is a broker non-vote?

If you are a beneficial owner of shares of Common Stock and the organization holding your account does not receive instructions from you as to how to vote those shares, under the rules of various national and regional securities exchanges, that organization may exercise discretionary authority to vote on routine proposals but may not vote on non-routine proposals. As a beneficial owner of shares of Common Stock, you will not be deemed to have voted on such non-routine proposals. The shares that cannot be voted by brokers on non-routine matters are called broker non-votes. Broker non-votes will be deemed present at the 2013 Annual Meeting for purposes of determining whether a quorum exists for the 2013 Annual Meeting.

How many shares of Common Stock must be voted in favor of the Nominees to elect them?

According to the Company's Proxy Statement, the election of directors at the 2013 Annual Meeting is considered a "Contested Election" as defined in the Company's Bylaws, and a nominee will be elected if he or she receives a plurality of the votes cast at the 2013 Annual Meeting (meaning those eight director nominees receiving the greatest number of votes cast "FOR" shall be elected). Votes withheld and broker non-votes are not votes cast and will result in the applicable nominees receiving fewer "FOR" votes for purposes of determining the eight nominees receiving the most votes.

How many shares of Common Stock must be voted in favor of the other proposals described in this proxy statement?

Proposal 2: Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2013 requires the affirmative vote of a majority of the shares of Common Stock present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will have the same effect as a vote against this proposal. You may vote for or against or you may abstain on Proposal 2. Ordinarily, your broker does not need your voting instruction in order to vote your shares of Common Stock in connection with so-called "routine" matters, which typically include ratification of auditors. However, under the current circumstances of a contested election, if you are a beneficial owner holding shares of Common Stock through a broker and we have provided our solicitation materials to you with respect to such shares, your broker is not permitted to vote your shares of Common Stock on Proposal 2 without receiving instructions from you. Broker non-votes will not be counted in determining the number of shares of Common Stock necessary for approval of this proposal and thus will not have a direct effect on this proposal.

Proposal 3: The proposal to approve the Company's executive compensation on an advisory basis is not binding on the Company and will be considered to have been approved if it receives the affirmative vote of a majority of the shares of Common Stock present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will have the same effect as a vote against this proposal. You may vote for or against or you may abstain on Proposal 3. Your broker is not permitted to vote your shares of Common Stock on Proposal 3 without receiving instructions from you. Broker non-votes will not be counted in determining the number of shares of Common Stock necessary for approval of this proposal and thus will not have a direct effect on the proposal. The opportunity to vote on this Proposal 3 is required pursuant to Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). However, as an advisory vote, the vote on this Proposal 3, if passed, is not binding upon the Company and serves only as a recommendation to the Board.

Proposal 4: Approval of the Stockholder Proposal requires the affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote at the 2013 Annual Meeting. Abstentions will have the same effect as a vote against this proposal. You may vote for or against or you may abstain on Proposal 4. Your broker is not permitted to vote your shares of Common Stock on Proposal 4 without receiving instructions from you. Broker non-votes will not be counted in determining the number of shares of Common Stock necessary for approval of this proposal and thus will have the same effect as a vote against this proposal.

If other matters are properly brought before the 2013 Annual Meeting, the vote required will be determined in accordance with applicable law, the NYSE Listed Company Manual, and the Company's Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") and the Bylaws, as applicable.

What should I do in order to vote for the Nominees and the other proposals?

If your shares of Common Stock are held of record in your own name, please authorize a proxy to vote by marking, signing, dating and returning the enclosed **WHITE** proxy card in the postage-paid envelope provided.

If you hold your shares of Common Stock in "street name" with a bank, brokerage firm, dealer, trust company or other institution or nominee, only they can exercise your right to vote with respect to your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other institution or nominee to ensure that a **WHITE** proxy card is submitted on your behalf. Please follow

the instructions to authorize a proxy to vote provided on the enclosed **WHITE** proxy card. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered to them by internet or telephone, instructions will be included on the enclosed **WHITE** proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to us, care of Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, New York 10022, so that we may be aware of all instructions given and can attempt to ensure that such instructions are followed.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the 2013 Annual Meeting, we encourage you to read this proxy statement and date, sign and return your completed **WHITE** proxy card prior to the 2013 Annual Meeting so that your shares of Common Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the 2013 Annual Meeting in person, we recommend that you authorize a proxy to vote your shares of Common Stock in advance as described above so that your vote will be counted if you later decide not to attend the 2013 Annual Meeting.

Can I use the **WHITE proxy card to vote for any of the Company's nominees?**

Under the proxy rules, we may solicit proxies in support of our Nominees and also seek authority to vote for all of the Company's nominees other than those Company nominees we specify. This allows a Stockholder of the Company who desires to vote for up to a full complement of eight director nominees to use the **WHITE** proxy card to vote for our Nominees as well as the Company's nominees for whom we are seeking authority to vote other than those nominees as to which the Stockholder does not seek authority to vote and will not exercise authority to vote. We have determined to nominate a slate of three Nominees, Messrs. McGuire, Markowitz and Digirolamo, and are seeking authority to vote for up to all of the Company's nominees other than []. As a result, should a Stockholder so authorize us on the **WHITE** proxy card, we would cast votes for our three Nominees and up to five of the Company's nominees. None of the Company's nominees for whom we seek authority to vote have agreed to serve with any of our Nominees, if elected.

How do I revoke a proxy?

Any Stockholder has the power to revoke a previously submitted proxy at any time before it is exercised even if you submitted a proxy card or form sent to you by the Company. If you are a registered holder of shares of Common Stock, you may revoke a previously submitted proxy by:

- signing, dating and returning the enclosed **WHITE** proxy card or any other later-dated proxy in the postage-paid envelope provided;
- delivering to the Corporate Secretary of the Company a written notice of revocation c/o Lear Corporation, 21557 Telegraph Road, Southfield, Michigan 48033; or
- attending the 2013 Annual Meeting and voting in person.

Please note, however, that only your last-dated proxy will count—any proxy may be revoked at any time prior to its exercise at the 2013 Annual Meeting as described in this proxy statement. Attending the 2013 Annual Meeting alone without taking one of the actions above will not revoke your proxy.

Stockholders who hold their shares of Common Stock in "street name" with a bank, brokerage firm, dealer, trust company or other institution or nominee will need to notify the person responsible for their account to revoke or withdraw previously given instructions. You may also provide your bank, broker or other nominee with new voting instructions. Only your latest dated instructions will count. Unless revoked in the manner set forth above and subject to the foregoing, duly authorized proxies in the form enclosed will be voted at the 2013 Annual Meeting in accordance with your instructions. We request that a copy of any revocation sent to the Company or any revocation notification sent to the

PROPOSAL NO. 1—ELECTION OF NOMINEES

We propose that the Stockholders elect Richard T. McGuire III, David M. Markowitz and Enrico Digirolamo as directors of the Company at the 2013 Annual Meeting. According to publicly available information, the Board currently consists of eight directors, all of whom are up for election at the 2013 Annual Meeting. If our three Nominees are elected to the Board, they will replace three of the incumbent directors.

The initial term of each Nominee, if elected, would be until the 2014 annual meeting of the Company or until their successors are duly elected and qualified in accordance with the Bylaws. Each Nominee has executed a consent to being named as a Nominee and to serving as a director of the Company, if so elected.

According to the Company's Proxy Statement, the Board of the Company intends to nominate eight candidates for election as directors at the 2013 Annual Meeting. This proxy statement is soliciting proxies to elect Messrs. McGuire, Markowitz and Digirolamo and to grant authority to vote for the Company's nominees other than []. Therefore, should a Stockholder so authorize us, we will cast votes for our three Nominees and up to five of the Company's nominees. None of the Company's nominees for whom we seek authority to vote have agreed to serve with any of our Nominees, if elected and there is no assurance that they will do so.

The corporate governance guidelines of the Company, which are available on the Company's website at <http://ir.lear.com>, set forth guidelines to assist the Board in making a determination whether a director has a material relationship with the Company for purposes of determining independence. Based on information furnished by the Nominees, we believe that each of the Nominees is independent and no member of the Marcato-Oskie Group has any knowledge of any facts that would prevent the determination that each of the Nominees is independent.

In addition, each of the Nominees understands that, if elected as a director of the Company, each Nominee would have an obligation to act in the best interests of the Company and the Stockholders in accordance with his duties as a director.

We are not seeking control of the Board at the 2013 Annual Meeting. If elected, the Nominees would be a minority of the directors and would not alone be able to adopt resolutions or otherwise cause the Board to act. However, the Nominees expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with Board members, the Nominees believe they can effect positive change at the Company.

The Marcato-Oskie Group does not expect that the Nominees will be unable to stand for election. In the event that any Nominee is unable to serve or for good cause will not serve, the Marcato-Oskie Group may seek to replace such Nominee with a substitute nominee to the extent substitution is permissible under applicable law and the Company's organizational documents.

The Marcato-Oskie Group reserves the right to nominate additional persons, to the extent this is not prohibited under applicable law or the Company's organizational documents, in the event the Company purports to increase the number of directorships, and/or the Company makes or announces any changes to the Bylaws or takes or announces any other action that purports to have, or if consummated would purport to have, the effect of disqualifying any of the Nominees or any additional nominee nominated pursuant to the foregoing, and/or any Nominee is unable to serve or for good cause will not serve. Additional nominations made pursuant to the foregoing are without prejudice to the position of the Marcato-Oskie Group that any attempt to change the size of the Board or disqualify any of the Nominees through Bylaw amendments or otherwise would constitute unlawful manipulation of the Company's corporate machinery. The Marcato-Oskie Group reserves the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying any

Nominee. In the case that the Marcato-Oskie Group is permitted to substitute a nominee or propose an additional nominee, the Marcato-Oskie Group will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to any substitute nominee or additional nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 of the Exchange Act. Only in such case will the shares of Common Stock of the Company represented by the enclosed **WHITE** proxy card be voted for substitute nominees or additional nominees.

Information Regarding the Nominees

Information pertaining to the Nominees, including the name, age, present principal occupation, business address, and business experience for the past five years and certain other information, is set forth in the question and answer section of the proxy statement under the section entitled "Who are the Nominees?", which we urge you to read. This information has been furnished to us by the Nominees. Other than as disclosed in this proxy statement, there is no arrangement or understanding between any of the Nominees and any other person(s) pursuant to which any such Nominee was or is to be selected as a director or nominee of the Company.

You should refer to the Company's Proxy Statement for the names, background, qualifications and other information concerning the Company's nominees.

Arrangements between the Marcato-Oskie Group and the Nominees

On February 7, 2013, Marcato on behalf of the Marcato Stockholders and Oskie on behalf of the Oskie Stockholders, entered into an agreement (the "Agreement") thereby forming a group under the Exchange Act, which consists of the members of the Marcato-Oskie Group. The Agreement is attached to the Schedule 13D filed by the Marcato-Oskie Group on February 8, 2013 (the "Marcato-Oskie Group Schedule 13D"), and the summary of the Agreement provided herein is qualified by reference to the full text of the Agreement, which is attached to the Marcato-Oskie Group Schedule 13D as Exhibit C thereto and hereby incorporated herein by reference. Under the Agreement, each member of the Marcato-Oskie Group has agreed (a) not to sell, assign, transfer or otherwise dispose of (any such transaction being herein collectively called a "Transfer"), or to advise any of its affiliates to Transfer, all or any of the securities of the Issuer beneficially owned by it, (b) not to purchase or otherwise acquire (any such transaction being herein collectively called a "Purchase"), or to advise any of its affiliates to Purchase, any beneficial ownership of any of the securities of the Issuer, in each case, without first providing the other members of the Marcato-Oskie Group advance notice of such Transfer, (c) to, during the term of the Agreement, retain, and not in any way compromise or encumber, the right to vote any securities of the Issuer beneficially owned by it, (d) to attend the 2013 Annual Meeting, in person or by proxy, such that all shares of Common Stock of the Company held by such member of the Marcato-Oskie Group and its affiliates are represented at the 2013 Annual Meeting, (e) to vote such shares of Common Stock of the Company at the 2013 Annual Meeting, in person or by proxy, in favor of the persons nominated by one or more affiliates of Marcato or Oskie to the Board, and in favor of any ancillary or procedural actions or matters related to giving effect or required to effect the approval of the foregoing and (f) not to vote any securities of the Issuer other than as set forth in clause (e) at the 2013 Annual Meeting.

Under the Agreement, each of Marcato and Oskie has agreed to be responsible for all costs and expenses incurred by such Marcato-Oskie Group member in connection with the Agreement, its investments in the Issuer and the actions and transactions contemplated by the Agreement or the Marcato-Oskie Group Schedule 13D. In the event that Marcato and Oskie incur certain out-of-pocket, third-party expenses (including, without limitation, fees and disbursements of counsel or accounting or valuation firms) jointly, each shall be responsible for its Share (as defined below) of such expenses. For the purposes of the Agreement, Marcato's or Oskie's "Share", as the case may be, shall be a fraction,

expressed as a percentage, the numerator of which is the total number of shares of Common Stock of the Company as to which Marcato or Oskie, as the case may be, have voting and dispositive power and the denominator of which is the total number of shares of Common Stock of the Company to which the Marcato-Oskie Group Schedule 13D, as amended from time to time, relates. The Agreement will terminate upon the earlier to occur of (x) July 1, 2015, unless such date is extended by agreement of the parties thereto and (y) the date on which the parties mutually agree to terminate the Agreement.

In consideration of the Nominees' agreement to be Nominees for election to the Board, Marcato and each Nominee has entered into an Engagement and Indemnification Agreement, pursuant to which each Nominee has agreed that such Nominee shall not be entitled to receive any cash or other consideration from Marcato or any member of the Marcato-Oskie Group in respect of the Nominee's agreement to be a nominee for election to the Board and to be named as such in the proxy soliciting materials related to the 2013 Annual Meeting, whether or not such Nominee is elected to the Board. Pursuant to the Engagement and Indemnification Agreement, Marcato has agreed to indemnify each Nominee for expenses arising out of claims made or threatened against such Nominee in connection with such Nominee's nomination to the Board and losses incurred in connection with their service as Nominees for election as directors of the Company and in connection with the solicitation of proxies in respect thereof, to the extent that indemnification is not otherwise available, including from the Company, and to reimburse the Nominees for out-of-pocket expenses incurred in their capacity as Nominees, including, without limitation, reimbursement for reasonable travel expenses.

Other than as set forth herein or in *Annex A*, no Marcato-Oskie Group Participant and no associate of any Marcato-Oskie Group Participant has any arrangements or understandings with any person or persons with respect to any future employment by the Company or its affiliates or with respect to any future transactions to which the Company or any of its affiliates will or may be a party.

Compensation of the Company's Directors

If elected to the Board, except as set forth above or in *Annex A*, the Nominees will not receive any compensation from the Marcato-Oskie Group to serve as Nominees for election or as a director, if elected, of the Company. They will, however, receive whatever compensation the Board has established for non-employee directors of the Company unless and until the Board determines to change such compensation. The following discussion summarizes the Company's compensation and indemnification of directors based solely on the Company's Proxy Statement.

According to the Company's public filings, each non-employee director receives an annual cash retainer of \$110,000 and \$1,500 for each Board and Stockholders' meeting attended in excess of twelve in a calendar year. The additional cash retainer for the Presiding Director, if any, and the Chairman of each of the Compensation Committee and the Nominating Committee is \$10,000 and the additional cash retainer for the Chairman of the Audit Committee is \$20,000. Meeting fees for special committees of the Board are set by the Board at the time of the formation of the special committee. Pursuant to the Company's Outside Directors Compensation Plan, each non-employee director received an annual unrestricted grant of shares of Common Stock approximately equal in value to \$130,000 and subject to certain stock ownership guidelines.

According to the Company, it has a long-standing practice of having stock ownership guidelines for non-employee directors. In 2007, the Compensation Committee modified the guidelines to provide for specified share ownership levels rather than a value of share ownership based on a multiple of a director's annual retainer. The stock ownership level of 13,000 shares of Common Stock must be achieved by each non-employee director within five years of becoming a director.

According to the Company's Proxy Statement, the share ownership level of each current non-employee director as of March 1, 2013 was as follows:

	Number of Shares of Common Stock Owned Beneficially
Thomas P. Capo(1)	9,590
Jonathan F. Foster(1)	10,950
Kathleen A. Ligocki(2)	2,132
Conrad L. Mallett, Jr.(3)	5,050
Donald L. Runkle	13,050
Gregory C. Smith	9,450
Henry D.G. Wallace(4)	9,366

- (1) According to the Company's Proxy Statement, this amount includes 3,198 deferred stock units, which are fully vested and convert into shares of common stock on a 1-for-1 basis upon the earliest of the director's departure from the Board, a change in control or the pre-established date elected by the director.
- (2) According to the Company's Proxy Statement, this amount includes 2,132 deferred stock units, which are fully vested and convert into shares of common stock on a 1-for-1 basis upon the earliest of the director's departure from the Board, a change in control or the pre-established date elected by the director.
- (3) According to the Company's Proxy Statement, this amount includes 1,599 deferred stock units, which are fully vested and convert into shares of common stock on a 1-for-1 basis upon the earliest of the director's departure from the Board, a change in control or the pre-established date elected by the director.
- (4) According to the Company's Proxy Statement, this amount includes 5,227 deferred stock units, which are fully vested and convert into shares of common stock on a 1-for-1 basis upon the earliest of the director's departure from the Board, a change in control or the pre-established date elected by the director.

The Marcato-Oskie Group believes that the Company maintains, at its expense, a policy of insurance which insures its directors and officers. The Bylaws also contain provisions that provide for indemnification of directors, unless otherwise prohibited by law. The Certificate of Incorporation contains provisions eliminating the personal liability of a director to the Company or its Stockholders for monetary damages for breach of fiduciary duty as a director, subject to some exceptions.

None of the Nominees, or any of their respective associates, has received any cash compensation, cash bonuses, deferred compensation, compensation pursuant to plans, or other compensation, from, or in respect of, services rendered on behalf of the Company that is required to be disclosed under, or is subject to any arrangement described in Item 402 of Regulation S-K promulgated under the Securities Act of 1933, as amended ("Regulation S-K").

None of the Nominees has any position or office with the Company and no occupation or employment with which the Nominees have been involved during the past five years was carried on with the Company or any corporation or organization that is a parent, subsidiary or other affiliate of the Company. None of the Nominees has ever served on the Board.

Interests of the Nominees

The Marcato-Oskie Group expects that the Nominees, if elected, will be indemnified for service as directors of the Company to the same extent indemnification is provided to the current directors of the Company under the Bylaws and the Certificate of Incorporation. The Marcato-Oskie Group also believes that, upon election, the Nominees will be covered by the Company's officer and director liability insurance. The Nominees may be deemed to have an interest in their nominations for election to the Board by virtue of compensation the Nominees will receive from the Company as a director, if elected to the Board, and as described elsewhere in this proxy statement.

Other than as set forth under the section entitled "CERTAIN RELATIONSHIPS WITH THE COMPANY" and as otherwise described in this proxy statement, none of the persons listed on *Annex A* of this proxy statement, including any Nominee, or any associate of the foregoing persons, has any substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the 2013 Annual Meeting.

The Nominees and the other Marcato-Oskie Group Participants have furnished the additional information with respect to themselves located on *Annex A* to this proxy statement.

PROPOSAL NO. 2—RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS

As discussed in further detail in the Company's Proxy Statement, the Company has proposed that the Stockholders ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2013. We do not object to the ratification of the appointment of Ernst & Young LLP and recommend that you vote "**FOR**" this proposal by checking the appropriate box and signing, dating and returning the enclosed *WHITE* proxy card. Additional information regarding this proposal is contained in the Company's Proxy Statement.

PROPOSAL NO. 3—ADVISORY VOTE ON THE COMPANY'S EXECUTIVE COMPENSATION

As discussed in further detail in the Company's Proxy Statement and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), the Company has proposed that the Stockholders vote to approve, on an advisory basis, the compensation of those of the Company's named executive officers as described in the Company's Proxy Statement in accordance

with the compensation disclosure rules of the SEC. According to the Company's Proxy Statement, Stockholders are being asked to vote on the following advisory resolution:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Company's executive officers, as disclosed in the 2013 Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2012 Summary Compensation Table and the other related tables and disclosures."

This proposal often referred to as a "say on pay," and provides Stockholders with the ability to cast a vote with respect to the Company's 2013 executive compensation programs and policies and the compensation paid to the named executive officers as disclosed in the Company's Proxy Statement. This advisory vote on executive compensation is not binding on the Board. We have determined not to object to this proposal.

As such, we recommend that you vote "**FOR**" the approval, on an advisory basis, of the compensation of the Company's named executive officers by checking the appropriate box and signing, dating and returning the enclosed **WHITE** proxy card.

Additional information regarding this proposal is contained in the Company's Proxy Statement.

PROPOSAL NO. 4—REPEALING OF CERTAIN PROVISIONS OF OR AMENDMENTS TO THE BYLAWS ADOPTED SINCE NOVEMBER 9, 2009

Pursuant to Section 6.6 of Article VI of the Bylaws and Article V(B) of the Certificate of Incorporation, the Board is authorized to make, alter, amend or repeal the Bylaws without the approval of the Stockholders. The Marcato-Oskie Group believes that the Stockholders of the Company should have the opportunity to amend or repeal any amendments unilaterally adopted by the Board subsequent to November 9, 2009, which is the date of the last publicly available Bylaws. Adoption of this resolution could have the effect of counteracting any unilateral adoption, amendment or repeal of the Bylaws by the Board that would impede the effectiveness of the proposed election of the Nominees, as applicable, negatively impact our ability to solicit and/or obtain proxies from Stockholders, countermand the will of the Stockholders expressed in those proxies or modify the Company's corporate governance regime. To the extent that Stockholders support a provision or amendment of the Bylaws unilaterally approved by the Board and that is repealed as a result of this resolution, adoption of this resolution would countermand the will of such Stockholders. We are not currently aware of any specific Bylaw provisions that would be repealed by the adoption of this proposal.

Although adoption of this proposal could have the effect of repealing previously undisclosed Bylaw amendments, including those unrelated to the proposed election of the Nominees, without considering the beneficial nature, if any, of such amendments to the Stockholders, it would not repeal any such amendments that were approved by the Stockholders.

Proposal No. 4 provides for the adoption of the resolution in the following form:

"RESOLVED, that each provision or amendment of the Bylaws adopted by the Board without the approval of the Company's Stockholders subsequent to November 9, 2009 (purportedly the last date of reported changes) and prior to the approval of this resolution be, and they hereby are, repealed, effective as of the time this resolution is approved by the Company's stockholders."

WE STRONGLY URGE YOU TO VOTE "FOR" PROPOSAL NO. 4 AND TO USE THE WHITE PROXY CARD TO AUTHORIZE A PROXY TO VOTE "FOR" THE REPEALING OF ANY PROVISION OF OR AMENDMENT TO THE BYLAWS ADOPTED BY THE BOARD SUBSEQUENT TO NOVEMBER 9, 2009 WITHOUT THE APPROVAL OF THE STOCKHOLDERS.

OTHER PROPOSALS

We do not know of any other matters to be presented for approval by the Stockholders at the 2013 Annual Meeting. If, however, other matters are properly presented, the persons named in the enclosed **WHITE** proxy card will vote the shares of Common Stock represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

NO APPRAISAL OR DISSENTER'S RIGHTS

Stockholders will not have rights of appraisal or similar dissenter's rights with respect to any matters identified in this proxy statement to be acted upon at the 2013 Annual Meeting.

SOLICITATION OF PROXIES

The solicitation for election of the Nominees will be made by the Marcato-Oskie Group Participants each of whom may be considered participants in the solicitation.

Proxies may be solicited by mail, facsimile, telephone, telegraph, electronic mail, internet, in person and by advertisements. All written soliciting materials, including any emails or scripts to be used in soliciting proxies, will be filed by the Marcato-Oskie Group under the cover of Schedule 14A on the date of first use. Solicitations may also be made by certain of the respective directors, officers, members and employees of the members of the Marcato-Oskie Group Participants, none of whom will, except as described in *Annex A* attached hereto or elsewhere in this proxy statement, receive additional compensation for such solicitation. The Nominees may make solicitations of proxies but, except as described herein, will not receive compensation for acting as Nominees.

We have retained Innisfree M&A Incorporated ("Innisfree") for solicitation and advisory services in connection with solicitations relating to the 2013 Annual Meeting. Innisfree will receive a fee not to exceed \$400,000 and reimbursement of reasonable out-of-pocket expenses for its services to the Marcato-Oskie Group in connection with the solicitation. Approximately 50 people may be employed by Innisfree to solicit proxies from the Company's Stockholders for the 2013 Annual Meeting. Marcato has agreed to indemnify Innisfree in its capacity as solicitation agent against certain liabilities and expenses in connection with the solicitation. Arrangements will also be made with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of shares of Common Stock held as of the record date. Marcato will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith.

The entire expense of soliciting proxies for the 2013 Annual Meeting by the Marcato-Oskie Group or on the Marcato-Oskie Group's behalf is being borne by the members of the Marcato-Oskie Group. The Marcato-Oskie Group will not seek reimbursement of such costs from the Company. The Marcato-Oskie Group anticipates that the total expenses that it will incur in furtherance of, or in connection with, the solicitation of proxies for the 2013 Annual Meeting will be approximately \$1,500,000. The actual amount could be higher or lower depending on the facts and circumstances arising in connection with any such solicitation. As of the date hereof, the Marcato-Oskie Group has incurred approximately \$[] of solicitation expenses.

The number of shares of Common Stock set forth above includes options to purchase shares of Common Stock that are exercisable within the next 60 days.

The date of purchase and number of shares of Common Stock purchased are set forth in *Annex A* to this proxy statement. Other than as disclosed on *Annex A*, Marcato, Oskie, the other participants in this solicitation and the Nominees have not effected any transaction in securities of the Company in the past two years. Certain of the shares of Common Stock owned by Oskie were acquired using prime brokerage account margin borrowing and cash on hand. As of the date hereof, no part of the purchase price or market value of any of the shares of Common Stock owned by Oskie or Marcato is represented by funds borrowed or otherwise obtained for the purpose of acquiring or holding such shares of Common Stock.

As reflected in more detail in *Annex A*, between January 30, 2013 and February 4, 2013, certain of the Marcato Stockholders entered into swaps with respect to the shares of Common Stock. Under the terms of the swaps, (a) the relevant Marcato Stockholder was obligated to pay to the counterparty any negative price performance of the specified notional number of shares of Common Stock subject to the swaps as of the expiration date of such swaps, plus interest rates set forth in the applicable contracts, and (b) the counterparty was obligated to pay the relevant Marcato Stockholder any positive price performance of the specified notional number of shares of Common Stock subject to the swaps as of the expiration date of the swaps. Any dividends received by the counterparty on such notional shares of Common Stock during the term of the swaps was to be paid to the relevant Marcato Stockholder. All balances were to be settled in cash. The Marcato Stockholders' counterparty for the swaps was Morgan Stanley Capital Services LLC. The swaps did not give the Marcato Stockholders direct or indirect voting, investment or dispositive control over any securities of the Company and did not require the counterparty thereto to acquire, hold, vote or dispose of any securities of the Company. Accordingly, the members of the Marcato-Oskie Group disclaimed any beneficial ownership of any shares of Common Stock that may have been referenced in the swap contracts or shares of Common Stock or other securities or financial instruments that may have been held from time to time by any counterparty to the contracts. The number of shares of Common Stock specified in such swaps was [] with respect to Marcato I, [] with respect to Marcato II, and [] with respect to Marcato International. As reflected in *Annex A*, the swaps were sold between February 25, 2013 and February 28, 2013.

As reflected in more detail in *Annex A*, within the past year, certain of the Marcato Stockholders have been party to options to purchase shares of Common Stock pursuant to various American-style call options (which, as indicated on *Annex A*, were bought by the Marcato Stockholders, and which require the other counterparty thereto to sell and permit the relevant Marcato Stockholder to acquire such shares of Common Stock if exercised) with strike prices ranging from \$0 to \$55 and exercisable through dates ranging from March 16, 2013 to February 5, 2015. As of the date hereof, the Marcato Stockholders are party to options to purchase [1,900,000] shares of Common Stock pursuant to various American-style call options (which, as indicated on *Annex A*, were bought by the Marcato Stockholders, and which require the other counterparty thereto to sell and permit the relevant Marcato Stockholder to acquire such shares of Common Stock if exercised) with strike prices of \$55 and exercisable through March 16, 2013. None of the options gives the Marcato Stockholders direct or indirect voting, investment or dispositive control over any securities of the Company or requires the counterparties thereto to acquire, hold, vote or dispose of any securities of the Company prior to exercise. The number of shares of Common Stock underlying such call options is [423,300] with respect to Marcato I, [54,900] with respect to Marcato II and [1,421,800] with respect to Marcato International.

As reflected in more detail in *Annex A*, within the past year, certain of the Marcato Stockholders have been party to options to sell shares of Common Stock pursuant to various put options (which, as indicated on *Annex A*, were sold by the Marcato Stockholders, and which permit the other counterparty thereto to sell and require the relevant Marcato Stockholder to acquire such shares of Common Stock if exercised) with strike prices ranging from \$25 to \$40 and exercisable through dates ranging from March 16, 2013 to February 5, 2015. As of the date hereof, the Marcato Stockholders are party to options to sell [1,900,000] shares of Common Stock pursuant to various put options (which, as indicated on *Annex A*, were sold by the Marcato Stockholders, and which permit the other counterparty thereto to sell and require the relevant Marcato Stockholder to acquire such shares of Common Stock if exercised) with strike prices of \$40 and exercisable through March 16, 2013. None of the options gives the counterparty direct or indirect voting, investment or dispositive control over any securities of the Company or requires the counterparties thereto to acquire, hold, vote or dispose of any securities of the Company prior to exercise. The number of shares of Common Stock underlying such put options is [423,300] with respect to Marcato I, [54,900] with respect to Marcato II and [1,421,800] with respect to Marcato International.

As reflected in more detail in *Annex A*, within the past year, certain of the Oskie Stockholders have been party to options to purchase shares of Common Stock pursuant to various American-style call options (which, as indicated on *Annex A*, were bought by the Oskie Stockholders, and which require the other counterparty thereto to sell and permit the relevant Oskie Stockholder to acquire such shares of Common Stock if exercised) with strike prices ranging from \$40 to \$50 and exercisable through dates ranging from May 19, 2012 to March 16, 2013. As of the date hereof, the Oskie Stockholders are party to options to purchase [80,000] shares of Common Stock pursuant to various listed American-style call options (which, as indicated on *Annex A*, were bought by the Oskie Stockholders, and which require the other counterparty thereto to sell and permit the relevant Oskie Stockholder to acquire such shares of Common Stock if exercised) with strike prices of \$50 and exercisable through March 16, 2013. None of the options gives the Oskie Stockholders direct or indirect voting, investment or dispositive control over any securities of the Company or requires the counterparties thereto to acquire, hold, vote or dispose of any securities of the Company prior to exercise. The number of shares of Common Stock underlying such call options is [37,900] with respect to Oskie Master Fund and [42,100] with respect to Oskie on behalf of its managed account.

In connection with their employment by Oskie, Mr. Markowitz and Mr. Rowe each has a participatory interest in the profits derived by its affiliated entities from their investment in certain companies, including the Company.

The Nominees may be deemed to have an interest in their nominations for election to the Board by virtue of compensation the Nominees will receive from the Company as a director, if elected to the Board, and as described elsewhere in this proxy statement.

Other than as set forth in this proxy statement or on *Annex A* hereto, after reasonable inquiry, none of Marcato, Oskie or the other Marcato-Oskie Group Participants, including the Nominees, nor any of their respective associates or majority-owned subsidiaries, is, or has been within the past year, a party to any contract, arrangement or understanding with any person with respect to any securities of the Company including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profit, or the giving or withholding of proxies.

The shares of Common Stock owned by the Oskie Stockholders have been held in brokerage custodian accounts which, from time to time in the ordinary course, may have utilized margin borrowing in connection with purchasing, borrowing or holding of securities, and such shares of Common Stock may thereby have been subject to the terms and conditions of such margin debt and terms, together with all other securities held therein. No shares of Common Stock are currently held by any Marcato-Oskie Group Participant in accounts utilizing margin borrowing. Except as described herein or in the proxy statement, as of the date hereof, no part of the purchase price or market value of any of the shares of Common Stock held by Marcato or Oskie is represented by funds borrowed or otherwise obtained for the purpose of acquiring or holding such shares of Common Stock.
